

Secondary Colors Match

Mix two primaries and — poof! — a brand-new color!

 red +  yellow →  orange!

 blue +  yellow →  green!

 red +  blue →  purple!

 Grown-up reads: Orange, green and purple are secondary colors! Draw a line from each dot to the veggie that matches its color!

 Orange

 Purple

 Green

 Purple

 Orange

 Green

 Carrot

 Frog

 Eggplant

 Pumpkin

 Grapes

 Broccoli

☀ Master mixer! Answers: Orange → carrot & pumpkin, Green → frog & broccoli, Purple → grapes & eggplant!
