

Shape Sorting Review Activity

The ultimate sorting challenge — five shapes!

✂️ 1) Cut out all 10 shapes. 2) This is the big test — glue every shape in its correct box with no hints!

Circles

Squares

Triangles

Hearts

Stars

✂️ Cut out these shapes, then glue each one in the right box!

★ Grown-up tip: before cutting, ask your child to point to each shape and name it out loud!
