

Sort By Size Activity

Big, medium or little — where does each one go?

✂️ 1) Cut out all 10 circles. 2) Glue each circle in the Big, Medium or Little box!

BIG
the biggest ones

MEDIUM
not big, not little

LITTLE
the teeny tiny ones

✂️ Cut out these shapes, then glue each one in the right box!

★ Grown-up tip: before cutting, ask your child to point to each shape and name it out loud!
