

First, Next, Last!

Put each little story in order.

Look at each row of pictures. Write 1, 2, 3 in the circles to show what happened first, next, and last!

Parent tip: After each row, ask "how do you know?" — explaining their thinking builds real logic, not just guessing.

First, Next, Last — number each story!

A seed

A sprout

A flower

Caterpillar

Cocoon

Butterfly

An egg

A chick

A hen

Before or After? Circle the right word!

Breakfast comes ____ lunch.

BEFORE

AFTER

Bedtime comes ____ dinner.

BEFORE

AFTER

We brush teeth ____ bed.
