

 TIME OF DAY

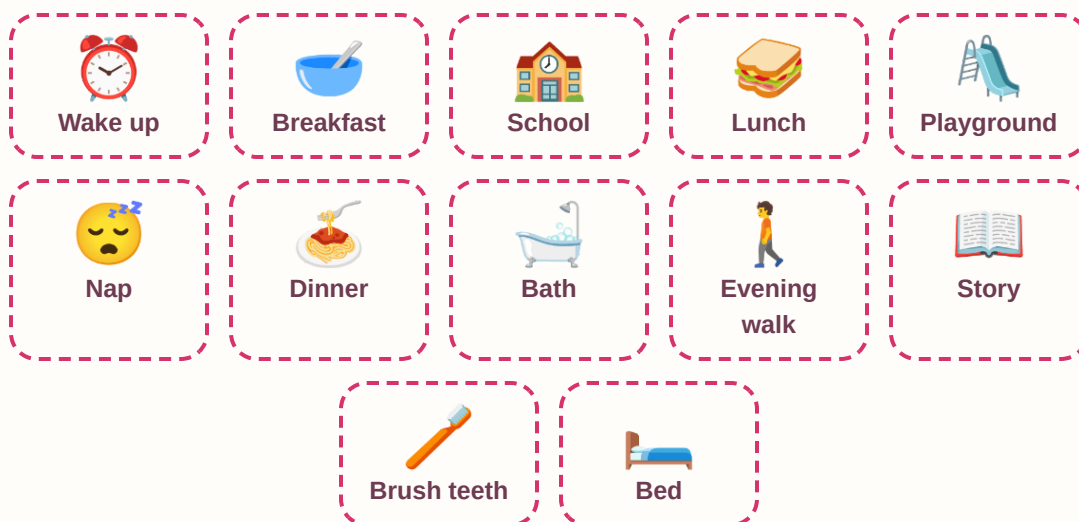

What Time of Day Is It?

Sort every picture into the right part of the day!

 Cut out the activity cards. Glue each one under the right time of day — morning, afternoon, evening, or night!

 Parent tip: Narrate your own day out loud — "It's morning, so I'm making breakfast!" Kids learn time words fastest from hearing them used in real life.

✂ - - - cut here - - - ✂

 Sort them here — glue the cards below!

 Morning	 Afternoon	 Evening	 Night
