

All About Triangular Prisms

Meet the triangular prism — a shape you can hold!

🧠 3D explorer! This is a triangular prism — a shape you can hold! Circle the things shaped like a triangular prism, then draw your own!

TRIANGULAR PRISM

Triangular Prism — a 3D shape!

💡 A triangular prism has triangle ends — like a tent!

👉 3D shapes are solid — you can pick them up and turn them around!

🕒 Circle everything shaped like a triangular prism!

Dice

Cheese wedge

Ball

Tent

Cabin

Draw your own triangular prism here!
