

Animal Life Cycles

Watch baby animals grow, step by step!

 Write 1, 2, 3 in the circles to show what happens first, next, and last!

How does a butterfly grow?

Butterfly

Egg

Caterpillar

How does a frog grow?

Frog

Tadpole

Eggs

 Parent key: Butterfly — Egg 1, Caterpillar 2, Butterfly 3 • Frog — Eggs 1, Tadpole 2, Frog 3

🌟 You did it, little scientist! Everything grows and changes — just like you! 🦋
