

Animals Around the World

Animals live all over our big world!

 Draw a line from each animal to the continent it calls home!

Panda
munches bamboo

Lion
king of beasts

Penguin
waddles on ice

Kangaroo
hops with a pouch

Eagle
soars up high

Antarctica
icy and cold

Asia
biggest continent

Australia
down under

North America
forests and plains

Africa
savannas and deserts

 Parent key: Panda → Asia • Lion → Africa • Penguin → Antarctica • Kangaroo → Australia • Eagle → North America

☀️ Wow, world traveler! Animals live on every continent of our Earth! 🌍
