

Sort by Color

Cut out the foods, then sort them by color!

✂️ Grown-up: help cut out the food cards. ✎ Little one: put each food in the bin that matches its color!

Red

Blue

Yellow

Green

✂️ Cut these out (dashed lines)

strawberry

blueberry

lemon

kiwi

watermelon

cheese

lettuce

pepper

cherries

corn

cucumber

grapes → purple!

✂️ Grown-ups: cut along the dashed lines. Sneaky grapes are purple — what will you do with them? 💜

🌟 Color champion! Bonus round: the purple grapes don't match any bin — can you name something purple at home?
