

PRE-WRITING PRACTICE

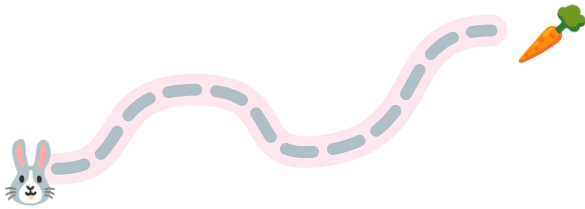

Curvy Path Tracing

Follow the winding paths — loops, swirls & squiggles!

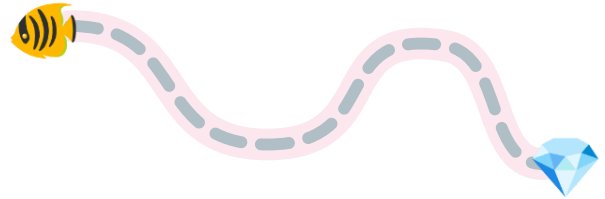

Trace the dotted line inside each pink path. Take your time around the loops and turns!

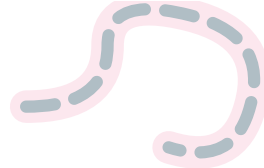

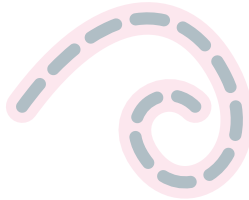

Help the **bunny** find the carrot! 🐰 🥕

Help the **fish** find the treasure! 🐟 💎

Swirl the **snail's** spiral shell! 🐌

Amazing looping! Curvy lines help little hands get ready to write letters like S, C and G.
