Astronaut Gear

Match each piece of gear to its job!

✏️ Draw a line from each piece of astronaut gear to what it is for. Start at the pink dot!

Helmet	to walk on the Moon
Gloves	to breathe
Boots	to grab things
Backpack	protects your head

👨‍👧 Parent key: Helmet → protects your head • Gloves → to grab things • Boots → to walk on the Moon • Backpack → to breathe.

🌟 Blast off! You know exactly what an astronaut needs in space!
