

# Trace Horizontal Lines

Straight across — the first step to writing!

✍️ Start at the green dot and draw straight across to the star. Go slow and steady!

Help the **bee** fly to the flower!

ROW 1

Drive the **car** to the finish line!

ROW 2

Walk the **dog** to the bone!

ROW 3

Slide the **penguin** to the fish!

ROW 4

Roll the **ball** to the goal!

ROW 5

 **Superstar! Trace every row again with a different color — make a rainbow!**
