

Line Tracing Practice

Three tracing missions — can you complete them all?

Trace each dotted path with your crayon. Go slow and steady — stay on the dots!

Mission 1: Help the **bee** reach the flower!

STRAIGHT

Mission 2: Race the **car** down the wavy road!

WAVY

Mission 3: Fly the **rocket** through the zigzag stars!

ZIGZAG

You did it! Trace each mission again using a different color — rainbow racer!
