

Mixed Shape Sorting Activity

Stars, hearts & ovals — sort them all!

✂️ 1) Cut out all 10 shapes. 2) Glue each shape in its matching box. Say the shape name as you glue!

Stars
5 points

Hearts
curvy + pointy

Ovals
squished circles

✂️ Cut out these shapes, then glue each one in the right box!

★ Grown-up tip: before cutting, ask your child to point to each shape and name it out loud!
