

Months of the Year

Can you put all 12 months in order?

There are 12 months in a year! Write the number 1–12 in each circle to put the months in order — start with January!

August

December

April

November

September

May

October

February

January

July

March

June

 Parent key: 1 January, 2 February, 3 March, 4 April, 5 May, 6 June, 7 July, 8 August, 9 September, 10 October, 11 November, 12 December

Birthday star! Color the month of YOUR birthday with your favorite color!
