

1 NUMBER 1 TRACING

Meet the Number 1!

Trace it, count it, color it.

Trace the big number 1 — start at the top dot and draw one straight line down.
Then count the objects!

Parent tip: Say “one” out loud every time your child traces or counts.
Connecting the word, the symbol 1, and a single real object builds true number sense.

★ Start at the dot, draw straight down!
