

Number Tracing 1–10

Trace each number, then count the dots below it!

Trace each big number with your crayon. Start at the top and count out loud as you go!

1

2

3

4

5

6

7

8

9

10

Point & count 1–10!

Then trace them all again!

Superstar! Write the numbers on your own in the empty space below — you can do it!
