

Astronaut Gear

Match each piece of gear to its job!

Draw a line from each piece of astronaut gear to what it is for. Start at the pink dot!

Helmet

to walk on the Moon

Gloves

a tank of air

Boots

to grab things

Backpack

to breathe

Parent key: Helmet → to breathe • Gloves → to grab things • Boots → to walk on the Moon • Backpack → a tank of air.

Blast off! You know exactly what an astronaut needs in space!
