

My Body Belongs to Me

A gentle first lesson in body safety!

💬 Talk through this page with a grown-up. Color the star badge — you are the boss of your body!

The Swimsuit Rule

private areas

Areas covered by a swimsuit are **private**. No one should touch them except to keep you healthy & clean.

I Can Say NO!

You can **always** say NO to any touch you don't like. Then tell a trusted grown-up right away.

Grown-up tip: teach the real names for body parts — it keeps kids safer.
