

DAILY ROUTINE

My Morning Routine!

Put the steps in order, then follow them every day.

Cut out the routine cards. Write 1–6 in the circles to show the order YOU do them every morning!

Parent tip: Do the routine together the first few mornings, then let your child be the "checker" — pointing to each step as it gets done. Kids who run the chart love the routine.

My Morning Routine — what comes first?

✂ - - - cut here - - - ✂

Wake up

Brush teeth

Get dressed

Eat
breakfast

Comb hair

Put on
shoes

My Bedtime Routine — trace the path!

Bath time

Brush teeth

Story time

Goodnight!

★ I did it! Color a star for each step you finish:
