

☀ DAY & NIGHT

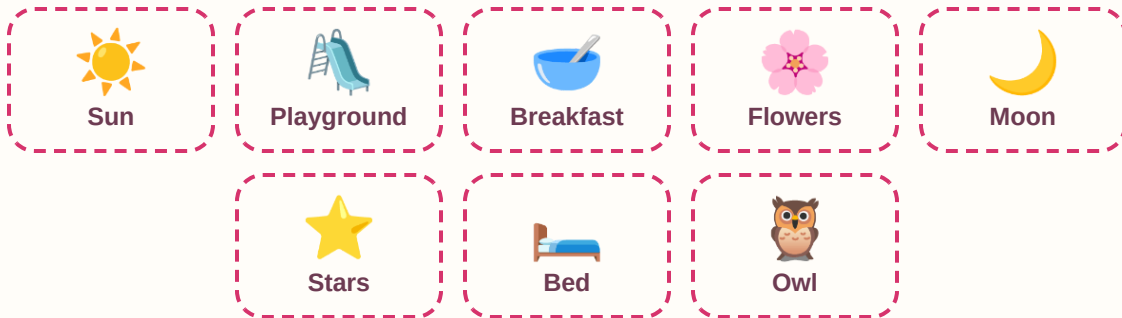

Day or Night?

Sort the pictures, then color the big sun and moon!

✂ Cut out the picture cards and sort them — day things under the ☀, night things under the 🌙! Then color the big sun and moon!

👤 Parent tip: Look out the window together and ask "is it day or night right now?" Connecting the page to the real sky makes it stick.

☀🌙 Day or Night? Glue the cards here!

 DAY the sun is up!	 NIGHT the moon is out!
glue here	glue here
glue here	glue here
glue here	glue here
glue here	glue here

Color the sun and the moon!

Color me yellow!

Color me silver!
